SPECIAL INTENTIONS

PRAY for our parish as we continue to celebrate our life together, that our Stewardship programme will enable us to take on new ministry as well as support the many aspects of our present mission. Give thanks for all who are able to increase their giving so that we may move forward with new energy and confidence.

PRAY for the health of people in our community, and throughout the world, as we continue to face challenges in our lives. Be with those who care for the sick and those who serve the public while facing personal health risks. Pray that world health authorities continue to work to find ways to make vaccines available to all people throughout the world. As colder days and nights approach pray especially for all who are disadvantaged by hunger, homelessness, mental illness, and unemployment.
