PRAY for our parish as we continue to celebrate a return to familiar patterns of worship together. May we know your gentle spirit as we welcome both newcomers and those returning after a time away. May we be sensitive to the needs of all members of our parish.

**PRAY** for the health of people in our community, and throughout the world, as we continue to face challenges in our lives. Be with those who care for the sick and those who serve the public while facing personal health risks. Pray that world health authorities continue to work to find ways to make vaccines available to all people throughout the world. As colder days and nights approach pray especially for all who are disadvantaged by hunger, homelessness, mental illness, and unemployment.
