

Ministry Opportunities at St. John the Evangelist Church, Kitchener

Deputy Churchwarden

At St. John's our various ministries support our intention to be a faithful and thriving community. Connecting individuals and ministries is an act of mutual discernment – you may wonder which ministry is the best fit for you at this time, and the community may recognize gifts in you and encourage you to share them as we seek to be a thriving community.

The community also has some expectations for ministries. Knowing these expectations can help you and the community discern which ministry makes sense for you at this time. Some ministries also have a trial time to assist further in this discernment.

How does this ministry contribute to a thriving community and your life of discipleship?

From its earliest beginnings the role of administration was considered essential for building up and maintaining the Body of Christ. For example, in the letter to the church at Corinth we read, "Now you are the body of Christ and individually members of it. And God has appointed in the church first apostles, second prophets, third teachers, then miracles, then gifts of healing, helping, administrating, and various kinds of tongues. 1 Corinthians 12: 27-28
